

Performance™ Boost 90 Gas Furnace with Comfort Heat Technology®

Carrier®

turn to the experts™

Performance™
SERIES

As an ENERGY STAR® partner, Carrier Corporation has determined that the Performance™ Boost 90 gas furnace meets ENERGY STAR guidelines for energy efficiency.

High-Efficiency Gas Heating with Up to 92.5% AFUE

Technology

- 1 Optional air cleaner cabinet** – allows for the easy and convenient addition of a Carrier® high-efficiency air filter for enhanced air quality.
- 2 Burner ignition** – as one of the most robust and durable ignition systems available, Power Heat™ hot surface ignition replaces pilot lights and reduces utility consumption.
- 3 Energy-saving brushless DC blower** – the electronically-controlled, ECM blower motor provides airflow optimized for your home's needs. The blower motor offers higher efficiency performance than most standard PSC-type motors.
- 4 Two-stage gas valve** – provides two heating capacities. The low-capacity stage works during milder days while the high-capacity engages during colder temperatures.
- 5 Two-speed inducer** – precisely controls air intake within the combustion system for high-efficiency performance.
- 6 Two heat exchangers** – extract heat from the gas you burn and transfer it to warm the air. The primary heat exchanger extracts 80% of the heat while the secondary heat exchanger extracts an additional 11 – 15%, helping to ensure efficient, reliable performance.
- 7 Sealed combustion system** – reduces cold air infiltration while providing quieter operation.
- 8 Patented control board** – allows customized comfort with enhanced temperature maintenance and efficiency at your fingertips.

Specifications

Gas Furnaces	Infinity® System	Humidity Control	Blower Speed	Comfort Heat Technology®	AFUE Rating	Heat Stages	SEER Boost
Infinity® ICS Furnace	✓	Ideal Humidity System® Technology	Variable	✓	Up to 95.0*	Multi	
Infinity 96 Furnace	✓	Ideal Humidity System® Technology	Variable	✓	Up to 96.6*	2	
Performance™ Boost 90 Furnace		Enhanced	4-5	✓	Up to 92.5*	2	✓
Comfort™ 92 Furnace		Enhanced	3-4		Up to 95.5*	1	

* ENERGY STAR® rated

Limited Warranty

To the original owner, the Carrier Performance Boost 90 gas furnace is covered by a 10-year parts and lifetime heat exchanger limited warranty upon timely registration of your new equipment.* The secondary heat exchanger carries a 20-year labor limited warranty. Ask your Carrier dealer about optional extended warranties, which may include labor.

* Warranty period is five-years on parts and 20-years on heat exchangers if not registered within 90 days. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts warranty on the heat exchangers. See warranty certificate at carrier.com for complete details.

Turn to the Experts

Willis Carrier invented air conditioning in 1902. Over 100 years later, we're proud to say Carrier® systems are trusted in more homes than any other brand.

Carrier continues to be on the forefront of innovative engineering and unsurpassed standards of excellence. So when choosing a home comfort system, you'll want to turn to the experts. Your Carrier dealer will evaluate your home, such as window placement and size, ductwork, other structural specifics and lifestyle to provide a customized indoor comfort plan designed specifically for you. And when you have an expert helping you make an educated decision, you're going to feel more comfortable.
